

Moneta North is located in the Shaw Park building on the corner of Brentwood Blvd. and Forsyth Blvd., directly north of Shaw Park. Moneta's offices are located on the 10th floor.

**COVERED PARKING:** For your convenience, we reserved parking spaces for you in the Shaw Park Plaza Garage on the lower P2 level. Please enter from Forsyth Blvd. and make a right turn into the parking garage. Upon arrival, take a ticket at the entrance, and we will be happy to validate it for you during your meeting. Once parked, please proceed to the elevator vestibule at the center of the garage and ride up to the 10th floor, where our welcoming team will be ready to greet you.

**STREET PARKING:** If you prefer street parking, metered spots are available on the surrounding roads. Once parked, enter the building through the front doors at the street corner. Follow the entry way to the elevators, which will take you up to see our familiar faces on the 10th floor.
